The image shows a mobile application interface for writing a daily journal in Korean. The title at the top is '일기쓰기' (Journal Writing). Below the title are three icons: a dashed box with a plus sign, a hand holding a small camera, and a hand holding a dandelion seed head. A blue whale illustration is positioned behind the '제목' (Title) input field. The '일기 입력' (Journal Input) section features a large circular background with a sunset or sunrise scene. Below this, the text '- Today -' is shown. At the bottom, there are input fields for height (키) in cm and weight (몸무게) in kg, and a red '저장' (Save) button.

The image is a screenshot of a mobile application titled "MyDiary". The top header is pink and contains the app name "MyDiary" in white text on the left and three white dots on the right. The main content area has a pink background. It features a dashed rectangular box on the left, a plus sign in the center, and a stylized hand holding a silver camera on the right. The camera's screen shows a "f LIVE" logo. Below the camera is the text "<제목>" (Title). To the left of this text is a photograph of a long, straight road lined with tall trees, leading towards a bright light. To the right of the road photo is a large, multi-colored rainbow graphic. Below the rainbow is the text "<제목>" (Title) again. The bottom half of the screen is a solid teal color.

[illegible]
